Masjid Al-Furqaan

Ramadaan 2025

Assulamu-alaikum

Re: RAMADAAN 2025 APPEAL

We make dua that this Letter of Appeal reaches you and your family whilst you are at peace, in good health and filled with the Grace of Almighty Allah.

The role of the committee is to ensure that the Masjid is maintained, and that future expansion plans are also budgeted for, so that the full needs and requirements of the communities and Jamaah that we serve are met. The past 12 months has been full of change, both from an administrative and operational perspective, with a number of general Masjid upliftment work being undertaken.

The Masjid also needs to ensure that its operational, maintenance & upkeep expenses are met. During the last 12 months the Masjid has:

1. Procured a new sound system.
2. Inserted a much needed aircon system within the ladies section and Mihraab.
3. Dealt with multiple leaks within the Masjid that has impacted on the carpets, walls, ceiling & roof.
4. Had plumbing related issues and work done within the toilets.
5. Inserted cupboards within the walls of the Masjid.
6. Procured an enclosed glass section within the ladies area.

We kindly appeal to you to donate generously towards the maintenance and upkeep of the Masjid. Our monthly expenses for salaries, maintenance and repairs, water, electricity, marketing and social media campaigning and sundries is extensive and we aim to maintain the Masjid as it deserves to be maintained.

Your kind donation in the form of Sadaqa and Lillah will greatly help in the operation and running of our Masjid.
